## VICSES: Join us!

Hi \*insert name\*,

Thank you for your interest in volunteering with the Victoria State Emergency Service (VICSES).

As you would be aware, VICSES is a volunteer-based emergency service organisation that plays a crucial role in responding to natural disasters and emergencies in Victoria.

Our volunteers work alongside other emergency services and provide assistance during floods, storms, earthquakes, landslides and tsunamis, in addition to operating the largest Road Crash Rescue network in Australia. Our volunteers also help in non-emergency situations, such as community events and education programs

As a volunteer with VICSES, you'll be part of a dedicated team of individuals who are passionate about helping others. You'll gain valuable experience, meet new people, learn new skills, and make a positive impact on the community.

VICSES offers a range of training programs to equip our volunteers with the necessary skills and knowledge to respond effectively to emergencies.

Volunteering with us is a unique experience, with comprehensive onboarding and training. We ask that you carefully consider your decision to join the Service, as we ask that our members make at least a three-year commitment to volunteering with VICSES.

## Ready to get started?

Please register your interest via the form below. This information will be sent to your local unit, where a volunteer member will be in touch with you within 2 weeks.

## Complete your expression of interest

If you have any questions along the way, please don't hesitate to get in touch. Once again, thank you for your interest in volunteering with VICSES.

Kind regards,

VICSES Volunteer Recruitment Team
