

Snap Send Solve – On download – App Registration

Disclaimer: At VICSES the safety of our members and the community are fundamental to all of our decisions. If capturing flood observations please prioritise your safety at all times. Never enter floodwater, be aware of the environment you are operating in and note that conditions can change quickly. Only ever capture an observation if it is absolutely safe to do so. For flood/storm emergency assistance call 132 500, for life threatening emergencies call triple 000.

- ▶ This is a mandatory process
- ▶ Assists to avoid misuse of emails
